Sub: ESTABLISHMENT-Public Health-Mangalore Municipality-trenching ground at Mudushedde- Sanitary Inspector in charge-payment of conveyance allowance at Rs 15/- per month - from 1-5-52 - sanction requested.

Ref: G.O. Ms.No. 3543 Health d/ 10-11-52. p 9/10 13/10

The Municipal Council in Council Resolution No. 1010⁽¹⁾ dated 30-6-1951 (copy enclosed) sanctioned payment of a fixed allowance at Rs 15/- per month to the Sanitary Inspector in charge of the trenching ground at Mudushedde. In G.O. Ms.No. 3543 H d/ 10-11-52 Government were pleased to permit this Sanitary Inspector payment of a conveyance allowance at Rs 15/- per month as a special case. (B)

The trenching ground was shifted on 1-5-52 from Derebail to Mudushedde which is situated at a place more than six miles away from the Mangalore town. Sri.K.Sanjiva Malli permanent Sanitary Inspector trained in compost work, was posted to be in charge of the trenching ground from 1-5-52. The conveyance allowance at Rs 15/- per month is paid to him from 10-11-52, i. e from the date of government order cited above, as no specific date was mentioned. The Sanitary Inspector now represents that he has been visiting the trenching ground since 1-5-52 as per office order, that he has incurred additional expenditure towards conveyance etc; and that as such claims payment of T.A permissible under T.A rules for the journey performed to visit the place during the period from 1-5-52 to 9-11-52.

A - If T.A as permissible under the Madras Travelling Allowance rules is paid, the total expenditure involve will be much more than the allowance payable at Rs 15/- per month.

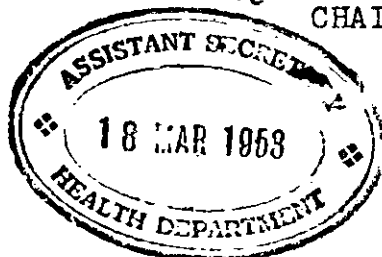

In view of the above facts I request that Government may be pleased to give effect to the Government order cited above from 1-5-52 so that the Sanitary Inspector in charge of the Mudushedde trenching ground could be paid the conveyance allowance at Rs 15/- per month from 1-5-52 to 9-11-52.
